- I understand that all high school students remaining on campus 10 minutes after dismissal will be checked in to After School Care.
- I understand that once a student has checked in to After School Care, the student will only be released to persons listed on the student's pick up list in RenWeb.

\_\_\_\_\_ Full time After School Care Grades 9-12

\_\_\_\_\_ Drop-In (occasional) After School Care Grades 9-12

I understand that students who remain on campus after dismissal will be required to attend the appropriate After School Care program for their grade level unless they are under the direct supervision of a coach, teacher, or sponsor of an after school sport, class, or club. No student is to remain on campus without checking into the After School Care program.

I understand that once a student has been released from school or After School Care, if the student remains on campus, he/she is to remain under the direct supervision of the parent or other adult to whom he/she was released.
