

Update March 19th, 2020

Dear Parents and Students,

We just received word that the Governor has instructed us to close schools through April 3rd. As of today, we will not plan to re-open until April 6th.

I am trying to get the news out to you as soon as I receive it. Please stay in contact with us if we can be of any help to you at this time.

Thanks for working with us as we continue to educate our children.

Darlene White
Principal
